Annual Report 2023-24

College was established in the year 2011 with Commerce and Arts disciplines. Science discipline is started in year 2013. College has started post-graduation in all the three major discipline with 11 different subjects namely Political science, Sociology, Economics, Hindi, English, Botany, Zoology, Chemistry, Physics, Mathematics and Commerce. For execution of postgraduate classes, 31 new posts have been sanctioned by Department of Higher Education M. P.

The new science building of college is also started in this session which is fully equipped with UG and PG laboratories and smart classrooms. New science building also has facilities of open gym, clean drinking water, girls' common room, Wi-Fi campus and facilities for physically handicapped students. Whole building is under CCTV surveillance.

College has organised two National webinars namely "Challenges in implementation of NEP-2020" and "Relevance of Teaching and Learning through Blended Mode in Higher Education". The research papers of these webinars were published in peer reviewed and refereed journal.

Besides these activities, college has organised programs such as,

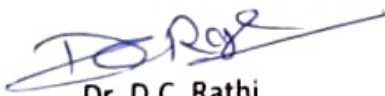

- 4 days workshop on GST for students,
- Two days workshop on soft skills,
- 15 days yoga and meditation session for student and teachers both,
- One day workshop on "Consumer Protection act 2019",
- One day webinar on financial literacy,
- Two days workshop on advanced research approach in Botany,
- One day training program on "Cultivation and Propagation of Timber plants" on the occasion of World Forest Day,
- One day seminar on "Role of plantation in conservation of water bodies" on the occasion of World Water Day,
- One day seminar on "Cancer: A Micro evolutionary process" on the occasion of World Cancer Day.

The NSS cell of college also organises various activities like 7 days camp, Blood donation camp, cleanliness drive, Environment protection health awareness, career guidance Programs etc.

College also provides scholarship to students under schemes like Gaon ki Beti, Awas Yojana, Post Metric Scholarship etc.

Total students' strength of the session was 2509 in UG and 815 in PG.

There are about 19 placements during the session.
