

Perspective Plan: 2020-21 to 2030-31

The IQAC has taken into account the following objectives for the next five years when creating the current perspective plan.

- *Providing students with a high-quality education in order to achieve academic success.*
- *Enhancing employability among students.*
- *Developing an eco-friendly campus.*

In order to accomplish the institute's objectives, it will take a team effort to secure grants from both the central and state governments. To that end, the college is working to be included under UGC Act 1956 Sections 2(F) and 12(B).

The institution needs national accreditation in order to give students a high-quality education.
